Geagte Ouers / Dear Parents

OMSENBRIEF / CIRCULAR: 126 van/of 2024

**WAARSKUWING i.v.m. SOSIALEMEDIA-
WEBWERF TIKTOK**

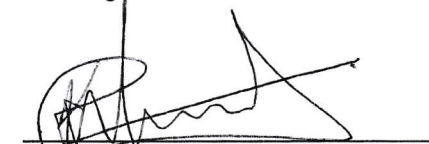

Ons wil dit graag onder ouers se aandag bring dat leerders gewaarsku moet word oor die nuutste uitdaging wat op die sosialemediawebwerf TikTok voorkom. Die uitdaging laat kinders hulself wurg totdat hulle hul bewussyn verloor.

Daar is 'n besluit geneem dat daar baie streng opgetree gaan word teenoor selfone. U kind kan sy selfoon saam bring skool toe vir veiligheidsredes, maar die foon moet afgeskakel word vandat die skool begin tot die laaste klas wat die kind bywoon.

GEEN selfone mag gebruik word gedurende pouse of gedurende af-periodes nie. As 'n leerder hom/haar skuldig maak of 'n onderwyser sien die selfoon sal die selfoon gekonfiskeer word.

Ons vertrou dat u ons hande sal neem in hierdie ernstige saak en u kind sal inlig oor die gevare van die uitdagings wat op die sosialemediawebwerf TikTok voorkom.

Patriotgroete.

**WARNING REGARDING SOCIAL MEDIA
WEBSITE TIKTOK**

We would like to make our parents aware that learners should be warned against the latest challenge that appears on the social media website TikTok. The challenge is that children strangle themselves until they pass out.

A decision has been made that very strict action will be taken with regards to cell phones. Your child is allowed to bring his/her cellphone to school for safety reasons, but the cell phone must be switched off from the start of school until the last class the child attends.

NO cell phones may be used during breaks or during off periods. If a learner makes himself/herself guilty or a teacher sees the cell phone the cell phone will be confiscated.

We trust that you will take our hands in this serious matter and inform your child of the dangerous content of the challenges found on the social media website TikTok.

Patriot Greetings.
